VIRTUAL PROGRAM:
It's OUR War, Too!
American Women in WWII
Presented By The National WWII Museum

March 7th from 2-3pm

When Americans were called to action, women "did their part" despite stereotyping and discrimination. The war spurred many women to enter the workforce for the first time, all while managing a household alone and upholding wartime duties. Women answered the call of Uncle Sam and enlisted in military auxiliary groups, fulfilling critical roles.

Community Life Update:

I just wanted to touch on a couple of things coming up here at the Hamilton House in March. First and foremost, our amazing home team, the Hamilton Hustlers, continues to exceed our expectations each week in the TRYathlon competitions. We look forward to seeing how far they will go!

In other news, we are also excited to introduce not one, but two new musical performers to play for our community members this month. First, we welcome Anthony koczynski on Friday, March 15th, to play some acoustic music for us, and then Denise Reese to play some worship music for us on "Good Friday", Friday, March 29th.

We will continue having a full mass on the fourth Tuesday of each month in our Turner Hall. In addition, we will also have a community member who will lead Rosary each Wednesday afternoon in our Theatre.

On Monday, March 25th, we will have a special presentation by our community member, Richard Miller, who will be telling us about and showing pictures of his Honor Flight trip he took last September.

In the spirit of the upcoming St. Patrick's Day, we have two community outings planned to get in a green state-of-mind. First, on Monday, March 11th, we will have a scenic bus ride that will include stopping for some deliciously green Shamrock Shakes. Then, on Monday, March 18th, we will head downtown to check out Cedarburg's Irish Boutique.

Happy March Everyone!

Sincerely,
Tory Brockdorf
Community Life Director
