Greetings Friends and Family!

It is hard to believe that September is here, and we are heading into Fall in Cedarburg once again. We had a busy Summer here at Hamilton House Senior Living. We held several fundraising events to support the Alzheimer's Foundation. From the "The Longest Day" concession-style sale, baked goods sale, and "Money Jar Wars"; which led up to the "Float & Splash Bash". It was so fun to see our community members, friends, family members, and team members joining together for the splash action. I was honored to be dunked, and "take one for the team", in support of such an important cause.

Now, we are head into the last lap of the fundraising for Alzheimer's Summer. We have our first official Hamilton House Senior Living Craft & Baked Goods Sale on Monday, September 23rd from 2:30 – 3:30 PM in our Private Dining Room. Stop by and look at the hand-crafted bracelets, and decorative trivets made by our community members. Of course, we had to include some delicious items baked by our dedicated baking crew. Like previous sales and fundraising events, all the proceeds go to the Alzheimer's Foundation.

I want to take this moment to let you know that it is not too late for you to join Team Hamilton House and walk with us in Port Washington for the Ozaukee County Walk to End Alzheimer's Walk on Saturday, September 28th at 10:30 AM. Hamilton House. Join with link below:

You can also donate using the link and QR code. I hope to see you at the Walk to End Alzheimer's Walk, and most importantly, we are beyond thankful for all donations made in support of the Alzheimer's Foundation.

Sincerely,

Mitchell

“It is in pardoning that we are pardoned.” – St. Francis of Assisi

Nearly every major religious tradition has some understanding of forgiveness, even if they might approach it in different ways. And anyone who has lived if we have has probably had to offer forgiveness at some point, and to ask for forgiveness as well, right?

When you look back on your life, are there any unresolved grievances that you are carrying? How do they affect you from day to day? What would it take to find some resolution, whether pardon or forgiveness, or simply no longer giving them power over your spirit? What does it feel like when you are genuinely sorry and have been offered pardon? Is there anyone you seek pardon from? May you find strength in relationships that are tense or challenged, and may you find belonging in this community that welcomes and accepts you for who you are.
