**Greetings Friends & Family!**

**It is my pleasure to announce that with this past Summer's active fundraising efforts, Hamilton Houe Senior Living Community was able to raise over \$5,000 for the Alzheimer's Association and their continued mission to end Alzheimer's Disease. I am so honored to be a part of this incredible community.**

**The fact is, we couldn't have raised that amount of money without the love and support of our community members, family members, friends, and hard working team members, here at Hamilton House. The dedication put forth by the entire community was awe-inspiring to be a part of.**

**I know it sounds cliché, but team work truly does make the dream work! I look forward to many more adventures with you all.**

**Sincerely,  
Mitchell Martenson**

**Plan in a Can Presentation**  
**By: Chaplain Peter Peregrine**  
 Peter will be discussing with our community members the importance of having one's affairs in order. It is such an important, yet difficult topic to think about. However, as uncomfortable as it is to talk about, it can ultimately bring a sense of calm and relief to individuals and their loved ones. Peter's experience as a chaplain has prepared him to have the conversation and put people at ease. We look forward to hearing what he has to say.
