Hustlers Hustlin'

It's Hamilton House Resident Council Election time. Community members may nominate themselves or someone else.

Nomination slips will be located next to the blue (locked) election ballot box - which will be on the countertop across from community mailboxes at 4 PM on Wed. March 26th (after the Resident Council Meeting).

Nominees will be announced on Wed. April 2nd at 3 PM in Turner Hall. Once nominees are announced, those individuals can then campaign up until voting day - Wed. April 23rd. Voting deputies will be set up outside of the Dining Room from 1-3 PM that day. We look forward to seeing nominees stumping on the campaign trail, here at Hamilton House. Stay tuned.

Sincerely,

Mitchell Martenson

Chaplain's Corner

APRIL

But I also say this: that light is an invitation to happiness, and that happiness, when it's done right, is a kind of holiness, palpable and redemptive. -Mary Oliver

What was the happiest day of your life? What made it a happy day? Were you alone, or were others there? According to Psychology Today, reminiscing with others can make you happier in the moment. Studies show that thinking about happy memories can interrupt negative thoughts and boost our sense of satisfaction. Making time to remember and share stories about our happiest days can have a significant impact on our overall happiness today and can even help us to bounce back when we face inevitable challenges. Reminiscing is good for the spirit and choosing to share and receive stories of happiness together is one way of experiencing holiness and healing. This month, try making time each day to share a happy story with someone, and see what happens!
