## BLOOM WHERE YOU ARE PLANTED

Friends and family,

Here we are, and it is now JULY! We are all ready for some long awaited summer weather. Even if that weather may be a bit unpredictable, we appreciate the excitement of watching the temperature rise, the thrill of watching weather fronts change before our eyes, and don't mind the occasional rainy day, because we know the sun will come out again before we know it. Oh, the joys of summer in Wisconsin!

This summer, Hamilton House is once again, whole-heartedly committed to raising money to benefit the Alzheimer's Association. It would mean the world to us if you could join us in our goal to raise over \$5,000 this summer. You can follow us on Facebook, or check out our website [www.hamiltonhouseseniorliving.com](http://www.hamiltonhouseseniorliving.com) to see what fundraising events we have planned.

I am providing our community's QR code, that you can scan with your phone and it will take you to the Hamilton House "Walk to End Alzheimer's" Walk page. Once there you can register to join the team and walk with us on October 4th in Port Washington, or you can make a donation. We appreciate your generosity and dedication to joining us in the fight against Alzheimer's Disease.

We look forward to seeing you this summer at Hamilton House Senior Living Community!

### JULY

One of the highlights of the summer season is the prevalence of music! Our communities burst with opportunities to hear live music, and Summer brings gatherings and occasions with music at the center. Every July, I love hearing a live rendition of "Stars and Stripes Forever" by John Philip Sousa. The piccolo solo toward the end always stirs my spirit and transports me to summers as a child sitting on the grass listening to an orchestra before the fireworks display. The music makes me feel full and alive and free. What songs of summer bring you joy, make you feel alive, or stir in your soul? Why do they carry special meaning for you? What memories do they pull forward? What values or core beliefs do these songs remind you of whenever you hear them?
