Hello Friends and Family,

As summer is fading away fast, I wanted to say what a fantastic fundraising season it has been here at Hamilton House Senior Living Community. We have thoroughly enjoyed engaging in fun events to promote the Walk to End Alzheimer's Walk – coming up on October 4th. We are so proud of the efforts put forth by our team members, community members, family members, and friends, here in our community. It has been a fantastic opportunity to build this amazing team, here at Hamilton House, we know that "Teamwork makes the Dreamwork."

Please note that we will be having our Hamilton House Senior Living Arts & Crafts Sale on Friday, September 19th. The sale will begin at 2 PM and will coincide with an uplifting musical performance by "Sweet Caroline", who will be playing fun Polka music. In addition to the crafts on sale, we will also be selling delicious, aptly themed Oktoberfest-style goodies! Our Arts & Crafts sale will be one of our last fundraising events of the summer.

On that note, our last official Alzheimer's fundraiser will be the Hamilton House Senior Living Alzheimer's Walk, which will take place on Friday, September 26th. Community members from our Legacy Court, as well as our Senior Living members, will be walking the Hamilton House Senior Living Community Grounds. We will be encouraging family, friends, and members to sponsor community members in this walk, to support our mission of raising more than \$5,000 for the "Walk to End Alzheimer's" Walk, that Hamilton House is participating in and walking on Saturday, October 4th.

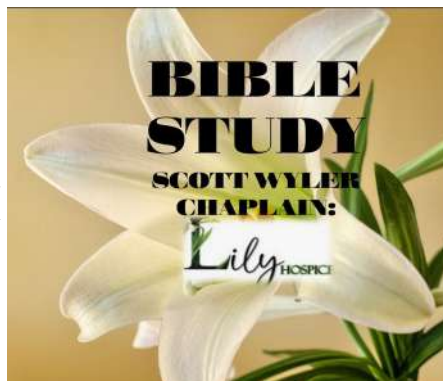

Thank you all, and please visit our Hamilton House Senior Living Community Team Page to register and/ or donate!

Sincerely,

Mitchell Martenson

SEPTEMBER

"It is in pardoning that we are pardoned." – St. Francis of Assisi

Nearly every major religious tradition has some understanding of forgiveness, even if they might approach it in different ways. And anyone who has lived as long as we have has probably had to offer forgiveness at some point, and to ask for forgiveness as well, right?

When you look back on your life, are there any unresolved grievances that you are carrying? How do they affect you from day to day? What would it take to find some resolution, whether pardon or forgiveness, or simply no longer giving them power over your spirit? What does it feel like when you are genuinely sorry and have been offered pardon? Is there anyone you seek pardon from? May you find strength in relationships that are tense or challenged, and may you find belonging in this community that welcomes and accepts you for who you are.

TEAM MEMBER SPOTLIGHT

Our Director of Environmental Services, Jason, is celebrating his two-year anniversary, here at Hamilton House Senior Living Community in September. We wanted to take this opportunity to spotlight Jason, to show our appreciation for all the hard work and dedication to this community that he shows every single day. The community members, family members, and especially his team members adore Jason, because he listens, and really cares about everyone here at Hamilton House Senior Living Community.

When not at work, Jason loves to go fishing! He cherishes spending time with his family and his grandchildren. He enjoys going on hikes to random places, watching the sunset, having campfires and spending quality time at the family camper. As an avid animal lover, Jason is enthusiastic about rescuing animals that are in bad situations. When at work, he loves being able to help others, and working with his hands provides him with a sense of accomplishment and wellbeing.

Jason states how important it is to him that the residents find him dependable, and that he holds that responsibility in high esteem. He finds joy in making people feel good about themselves and states that being able to contribute to the team during the Hamilton Hustler Challenges is such a good feeling. He loves helping others out, and by doing so, he enjoys the variety it gives him in his daily routine.

Jason is a valued team member here at Hamilton House Senior Living Community, and we are so lucky to have him on the team. Thanks for all you do, Jason. Happy two-year anniversary!
