BETTER TOGETHER

Greetings Family & Friends,

As we step into March at Hamilton House Senior Living Community, we're gearing up for a month filled with music, special celebrations, and plenty of St. Patrick's Day fun!

We begin the month with a celebration for retirement of Janet, one of our wonderful Fox Therapy Physical Therapists. Her dedication has touched so many residents, and we're excited to honor her service.

Our entertainment lineup is packed with musical variety! The Cedarburg Senior Center Senior Choir will fill our community with beautiful harmonies on Monday, March 9th. Later in the week, we welcome Caroline Schweinert & Friends on Friday, March 13th for a lively Polka Variety performance that's sure to get tapping toes. Rounding out the month, we're thrilled to feature Little Fire Heart, bringing a spirited mix of female country singer hits on Friday, March 27th.

Of course, March wouldn't be complete without some festive St. Patrick's Day traditions! On Monday, March 16th, we head out for a trip to Culver's for their seasonal mint shakes. Then, get ready to go green for our St. Patty's Bingo on Tuesday, March 17th, packed with prizes, laughs, and the luck of the Irish.

It's shaping up to be a vibrant and joyful month here at Hamilton House Senior Living Community. We hope you'll join us, take part in the fun, and stop by to say hello!

“A quiet conscience makes one strong!” – Anne Frank

One of the three components of resilience, according to the Spark Model, is strength. Often, we think of strength as being big, loud, and commanding. Sometimes it is! And other times, strength is found in the quiet people and places, in doing the right thing day after day. Strength is seen in persistence when facing challenges and in perseverance through troubling times. Throughout our lives, as we collect experiences and come to understand the world in bigger, broader ways, we develop strength of conscience. In elderhood, we have the unique benefit of a lifetime of building this strength. May we seek opportunities to share this strength by building community, encouraging others, and choosing to do the right thing with each new day.

TEAMMEMBER SPOTLIGHT

Amanda Gelinsky, LPN

Nurse Manager – Hamilton House Senior Living Community

Amanda's passion for nursing began back in 8th grade, when her grandfather became ill. Curious and determined, she wanted to understand everything the nurses were doing and why. That moment sparked a lifelong commitment to helping others.

Outside of work, she enjoys a meaningful and full life with her husband, Robert, whom she has been with for 17 years. Together, they share two sons and a stepdaughter, along with their energetic black lab, Knight.

She loves taking cruises and vacations, creating memories with her family whenever she can. When life slows down just enough, she enjoys reading, even if free time is rare.

She shares, "I love my current job. My coworkers are an amazing team, and the residents truly feel like my extended family."

Her kindness, teamwork, and dedication inspire everyone around her and brighten the lives of those she serves each day.
